Re: Hearing Application
MT-1-NS-2 Zone, Reservoir A
CHURCH POINT FIELD
Acadia Parish, Louisiana
Applicant: Nearburg Producing Company

Dear Mr. Commissioner:

In accordance with the Rules of Procedure for Conducting Hearings Before the Commissioner of Conservation of the State of Louisiana, application is hereby made on behalf of **Nearburg Producing Company** the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the MT-1-NS-2 Zone, Reservoir A, Church Point Field, Acadia Parish, Louisiana.

1. To create a single drilling and production unit of approximately 165± acres for the MT-1-NS-2 Zone, Reservoir A, designated as the MT-1-NS-2 RA SUA, Church Point Field, Acadia Parish, Louisiana, all as shown more particularly on the attached plat;
2. To establish rules and regulations governing the exploration for and production of gas and condensate from the said sand unit;
3. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the unit so created, with each tract sharing in unit production on a surface acreage basis of participation;
4. To consider such other matters relating to the subject reservoir as may be appropriate and justified by the evidence presented at the public hearing.

The MT-1-NS-2 Zone, Reservoir A, in the Church Point Field, Acadia Parish, Louisiana is hereby defined as being that gas and condensate bearing zone encountered between the depths of 10,108 feet and 11,856 feet (electrical log measurements) in the Tidewater Oil Company-Doucet No. 1

Well, located in Section 6, Township 8 South, Range 3 East, Acadia Parish, Louisiana.

In compliance with the Rules of Procedure for Conducting Hearings Before the Commissioner of Conservation of the State of Louisiana, a pre-application conference was held in Lafayette, Louisiana on April 12, 2006. Attached hereto and made a part hereof is a list of the names and addresses of the parties who were in attendance at that conference.

The conference was opened by Mr. William F. Bailey. Mr. Bill McAlister of Leon Comeaux & Associates presented the plan of applicant. Questions were asked and answered. Mr. Bryan Groves presented a plan on behalf of Jude Vautrot that interpreted the northern boundary differently and added acreage to the north. After discussion among all the parties at the conference, all of the parties at the conference agreed to a compromise which adds approximately six (6) acres to the northern boundary of the unit. This compromise is reflected on the revised plat attached to this application. It is anticipated that there will be no opposition at the public hearing on this matter.

Attached hereto and made a part hereof is a revised plat outlining the MT-1-NS-2 RA SUA, Acadia Parish, Louisiana, and a list of the names and addresses of the interested owners, represented parties and interested parties to whom this notice is being sent. It is hereby certified that a reasonable effort was made to ascertain the names and addresses of all interested owners, represented parties and interested parties.

A copy of the list of the names and addresses of the interested owners, represented parties and interested parties is not being mailed to those parties along with this hearing application. Should any such party desire a copy of this list, however, we will be glad to provide one upon request.

Upon receipt of the legal notice in the captioned matter, the notice will be posted, published and mailed in accordance with Rule 7 of the Rules of Procedure.

Any pertinent data relating to this matter can be obtained at the cost of the requesting party, from Mr. Bill McAlister, Leon Comeaux & Associates, Inc., P. O. Box 53922, Lafayette, Louisiana, 70505, telephone number (337) 233-9839.

Finally, there is enclosed herewith our check on behalf of the applicant in the amount of \$755.00, made payable to the Office of Conservation, representing the required hearing application fee.

Very truly yours,

William F. Bailey
